

Nama : M-Gilang aditya Saputra

Kelas : XI-PPLG-1

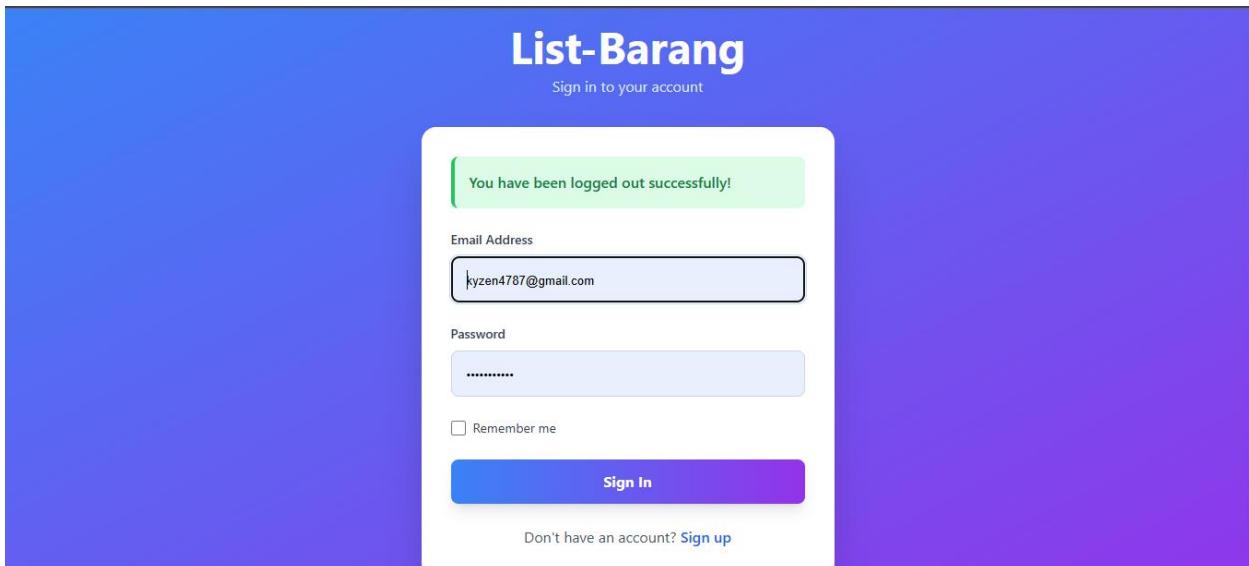

Hasil dari projek laravel berupa List-barang

1.Register

The registration form is titled "List-Barang" and includes a sub-instruction "Create your account". It features four input fields: "Full Name" (empty), "Email Address" (containing "kyzen4787@gmail.com"), "Password" (containing "*****"), and "Confirm Password" (empty). A green "Create Account" button is at the bottom.

2.login

The login page is titled "List-Barang" and includes a sub-instruction "Sign in to your account". It shows a success message "You have been logged out successfully!" in a green box. It has fields for "Email Address" (containing "kyzen4787@gmail.com") and "Password" (containing "*****"). There is a "Remember me" checkbox (unchecked) and a blue "Sign In" button. Below the button is a link "Don't have an account? [Sign up](#)".

5. Halaman Categories

The screenshot displays a user interface for managing product categories. At the top, there is a navigation bar with links for 'List-Barang', 'Categories', 'Products', and 'Orders'. On the right side of the nav bar are 'Admin' and 'Logout' buttons. The main content area is titled 'Categories' and contains a sub-header 'Manage your product categories'. Below this, there are two category cards:

- Elektronik**: Contains the text '2 Products' and 'Produk elektronik'. It features three buttons: 'View' (blue), 'Edit' (yellow), and 'Delete' (red).
- Fashion**: Contains the text '1 Products' and 'Pakaian dan aksesoris'. It also features three buttons: 'View' (blue), 'Edit' (yellow), and 'Delete' (red).

In the top right corner of the main content area, there is a blue button labeled '+ Add Category'.
